

Sahana

Bachelor Of Computer Applications

+91776073717 | sahananarayana21@gmail.com | <https://github.com/sahananarayana06> | Moodbidri, Karnataka

Objective

Recent BCA graduate with a strong foundation in networking, data analysis, and full-stack web development. Skilled in SQL, Python, HTML, CSS, JavaScript, PHP, and MySQL, with hands-on experience building web applications and analyzing data. Familiar with networking concepts including TCP/IP, routing, switching, subnetting, and network troubleshooting. Passionate about learning new technologies and contributing to innovative IT teams.

Education

2023- 2026	BCA(Bachelor Of Computer Applications) CGPA - 9.38 @ Sri Mahaveera First Grade College, Moodbidri
2021-2023	PUC (HEBA) Grade - 94.3% @ Govt. Pre University College Kokrady
2020-2021	SSLC Grade - 88% @ Govt. High School Kokrady

Relevant Coursework

- Database Management Systems (DBMS)
- Computer Networks
- Python Programming
- Operating Systems
- Data Analytics
- Cyber Security Fundamentals
- Cloud Computing (Basics)

Skills

- Programming:** Python, Java, C, JavaScript, PHP, SQL
- Data Analytics:** Data Cleaning, EDA, Data Visualization, Pandas, NumPy, Microsoft Excel
- Web Development:** HTML5, CSS3, JavaScript, PHP, MySQL, Responsive Web Design
- Networking:** TCP/IP, OSI Model, Routing & Switching, Subnetting, DNS, DHCP, VLAN, Network Troubleshooting

Projects

Crime Record Management System:

Technologies: PHP, MySQL, HTML, CSS, JavaScript

- Developed a secure web-based application for managing crime records and complaints.
- Implemented role-based authentication for Admin, Police, and Users.
- Designed complaint registration, FIR management, and criminal record modules.
- Integrated a MySQL database for secure data storage and retrieval.
- Built responsive user interfaces and optimized application performance.

Market Sales Analysis

Technologies: Python, Pandas, Matplotlib, Microsoft Excel

- Analyzed sales data to identify trends and business opportunities.
- Cleaned and transformed datasets for accurate analysis.
- Created visualizations to present sales performance and key metrics.
- Generated reports to support strategic business decisions.
- Applied statistical analysis techniques to interpret sales data.

Achievements

- Participated in an National Level IT Fest and secured 2st place in coding competition.
- Achieved AWS Cloud Practitioner certification with hands-on experience in compute, storage, networking, and cloud deployment.
- Awarded a Certificate of Recognition by IBM SkillsBuild for successfully completing the Artificial Intelligence Certificate Course with Grade A+.
- Completed Deloitte Data Analytics Virtual Job Simulation.
